**APPLICATION FOR PERMANENT LICENSURE IN SLP OR AUDIOLOGY REQUESTING
RECIPROCITY WITH A CURRENT LICENSE IN ANOTHER STATE**

INSTRUCTIONS TO APPLICANTS

NOTE TO APPLICANTS: The most common reason for delay in the consideration of an application is error in completing the application accurately, providing the required information, and following the instructions. Error can be avoided if you proceed in the application process carefully, thoroughly, and accurately. **IMPROPERLY COMPLETED APPLICATIONS WILL BE RETURNED.** If you have questions or need assistance, call the Board of Examiners at the above listed number.

1. Persons seeking a permanent license through reciprocity with a current license from another state must complete and sign the application form.
2. Submit an **official (not student copy) transcript** verifying that the master's/doctorate degree has been conferred. The Board will accept official electronic transcripts which are emailed directly from the program to the Board's office. Please have electronic transcripts emailed to courtneyk@ncboeslpa.org.
3. Persons seeking license on the basis of reciprocity with another state must submit written verification from the state of current licensure. This verification should be mailed directly to the N.C. Board of Examiners from the other state licensing board.
4. All applicants must complete and submit the Speech-Language Pathology or Audiology Quiz.
5. **All permanent applications must be accompanied by an application fee of \$30.00 and a permanent license fee of \$60.00. The only exceptions are those who hold active military status and the spouses of those who hold active military status.** Send only checks or money orders made payable to the Board of Examiners for SLPA. You may also pay with PayPal on the Board's website. New licenses and license renewal receipts will not be issued until the remitted checks have cleared the bank. The only exceptions will be those fees that are paid with money orders, certified checks, or PayPal.

 - C. may not refer to themselves as an audiologist
 - D. A, B, and C

3. The North Carolina Board of Examiners for Speech Language Pathologists and Audiologists:
 - A. Is comprised of two speech and language pathologists, two audiologists, two public members and one physician
 - B. Has eight voting members
 - C. Has members who may serve up to nine years (three consecutive appointments)
 - D. Must be comprised of retired licensees

4. The Board is empowered to :
 - A. Issue subpoenas
 - B. Suspend or revoke licenses
 - C. Conduct disciplinary hearings
 - D. All of the above

5. The following causes are grounds for suspension or revocation of license:
 - A. License secured by fraud or deceit practiced upon the Board
 - B. Fraud or deceit in connection with services rendered
 - C. Unethical conduct as defined in Article 22 or in a code of ethics adopted by the Board
 - D. A, B, and C

6. To be eligible for a permanent license, an applicant must:
 - A. Possess a doctoral degree in Audiology or qualifications deemed equivalent by the Board
 - B. Pass an examination established or approved by the Board
 - C. Have the Certificate of Clinical Competence in the area of practice
 - D. A and B

7. A licensee must:
 - A. Conspicuously post their license in their office or place of business at all times
 - B. Wear an identification badge or other form of identification displaying the name of the person and license held by the such person
 - C. Test the patient's hearing with properly calibrated equipment that meets current ANSI standards, except when performed for screening purposes.
 - D. A, B, and C

8. Principles of Ethics include:
 - A. Licensees shall report violation of the code of ethics of which they have knowledge or information
 - B. Licensees shall maintain adequate records (electronic records require back-up) of professional services rendered
 - C. Licensees must not misrepresent their training or competencies
 - D. A, B, and C

9. Unprofessional conduct includes:
 - A. Failing to maintain a record for each patient which must be retained for three years
 - B. Guaranteeing that satisfaction will result from the performance of professional services
 - C. Accepting and performing professional responsibilities that the licensee knows she/he is not competent to perform
 - D. A, B, and C

10. Each licensee must complete:
 - A. 30 hours of continuing education every 3 years
 - B. Annual renewal of license
 - C. Immediately inform the board in writing of change of address and/or change of place or places of practice/employment
 - D. Must report a violation of code of ethics in which they have knowledge of information
 - E. A, B, C and D

11. Hearing screening programs using objective or technology-based hearing screening techniques in place of traditional fixed-frequency, pure-tone audiometry must ensure:
 - A. The oversight and supervision of a licensed audiologist or licensed speech-language Pathologist
 - B. Individuals performing these tests are clearly identified as audiometric technicians
 - C. The oversight and supervision of a licensed audiologist or physician
 - D. A, B, C

12. Pursuant to Article 22, to practice audiology in the State of North Carolina, professionals must be licensed through:
 - A. American Board of Audiology (ABA)
 - B. American Speech-Language-Hearing Association
 - C. North Carolina Board of Examiners for Speech & Language Pathologists & Audiologists
 - D. A and C
